T. J. EMERSON } *Selectmen*

REPORT OF SUPERVISOR FOR 1895.

We are now entered upon the third year's work under the present school course. Since its adoption in September, 1893, there have been but few changes or modifications found necessary. Elementary algebra has been introduced the last year in the town school course, while work in history is taken up earlier in the course than when it was first formulated, and physiology is now finished on the completion of the first year in the First Grammar room. These latter modifications, though slight, have been found necessary to make room for a year's work in elementary algebra, which is a real necessity before entering the High School. The course is showing in results much more than was expected of it. Its beneficial features are broadspread and it may be said of it that it promotes regular attendance, generates an ambition in the pupil to hold class position, creates an interest in the pupil, which becomes desire, to stay and finish the work. That this is true is attested by the fact that in 1893 there

were only about 25 to 28 pupils in our High School, while now there are 41, and a careful estimate shows that next September there will be from 52 to 56. Neither the number of scholars drawing school money in town, or the total number of pupils in attendance in our schools as a whole, have increased in proportion to the increase in numbers in our High School.

The crowded condition of the work in that room was such, upon my entrance upon the duties of Supervisor in 1893, that the present course was arranged. At that time four years' work was being carried on there, and 18 recitations daily were heard by one teacher. This was about three times the labor imposed upon teachers, generally, in such schools over the State, and, as may be supposed, much of the work was imperfectly done because of lack of time to devote to it.

The method I selected to remedy this was to raise the grade in all of the town schools and cut the work in the High down to three years. It was evident from the beginning that it was likely to tax pupils to their utmost capacity for work to accomplish the course in this limited time. But this was selected as the best way at that time. For the limited number then attending our High School the town would scarcely have felt like affording a Principal and an Assistant, and four years studies under one teacher were too much to do and do well. Now, with the increased number attending the High School, an assistant is an absolute necessity. I mentioned the fact that this condition might occur in last year's report, but asked for no appropriation. At the beginning of the school year in September it was found necessary to have an assistant, and Miss Kate L. Reed was engaged for Fall and Winter terms, to assist one half of each day for $5.00 per week. Believing, also, that more and better work could be accomplished by the Principal we had employed the year before than by a new teacher, we retained him at an advanced

salary, paying this year $800 against $700 for the previous year. This brings about quite a large overdraw in this account, which is as follows:

Appropriation for '95	$425.00	
Received from State	125.00	
		$550.00

EXPENDITURES.

Overdrawn from '94	$ 53.41	
Paid for teaching	876.67	
	$930.08	
Overdrawn for year	380.08	
		$550.00

This overdraw will be reduced to $255.08 on the receipt of the $125.00 due now but unpaid by the State.

I consider that our High School will cost fully $1000 per year, but not exceeding that figure, for as long as its size and scholarship requirements are about as at present. This will make it necessary to raise annually $750 as the town draws the balance from the State. This year my recommendation is more, as it is desirous that this account may be brought nearer to a balancing point on our town books.

As a College Preparatory Course is invariably four years in all our seminaries and institutes throughout the State, I feel like recommending a change from three to four years in our High School course to take effect next September. This, with a Principal and an Assistant, can be conveniently carried on, and we will see fewer instances of pupils dropping from the course, giving as a reason for doing so that they cannot stand the work. Another recommendation I would make is this: that the present English Course in the High School be systematically laid out to include a very thorough and advanced course in English Language studies, including English

Literature, Book Keeping and Commercial Arithmetic, in fact, a first class English Commereial Course, embodying just what is most practical for our youug men, in particular, and what they will find most beneficial and useful in future years.

Town Schools.

Last spring I recommended an appropriation of $1800 instead of $2000 as in former years as the schools were well supplied with maps, charts and globes and such incidental expenses were not likely to be as much as previously. Below is a summary of the Town School figures for the year.

Appropriation	$1800.00	
Unexpended balance from '94	143.00	
Stove sold	2.00	
Mill tax from State	1523.28	
		$3468.28

EXPENDITURES.

Total expenditures	$3251.72	
Unexpenped balance	216.56	
		$3468.28

From a careful estimate I think the schools can be conducted in the same manner as at present on an appropriation of $1700 and consequently make that my recommendation. Thus it may be seen that the increase asked in the High will be offset by lessening the Town appropriation.

Tree Text Books.

Appropriation		$400.00

EXPENDITURE.

Overdrawn from '94	$ 24.87	
Expended	374.37	
Unexpended balance	76	
		$400.00

Bills Unpaid.

American Book Co	$197.54	
John E Potter & Co	27.30	
Ginn & Co	41.57	
Gustave Stechert & Co	3.40	
Loring, Short & Harmon	6.90	
Wm Ware & Co	6.25	
Edw E Babb & Co	5.00	
F H Castor & Co	11.06	
		$299.20

While on the face of the above figures the expense looks extreme it is, in fact, the most economical method of management. Several reasons exist for so much outlay the past year. So many additions in the High School, where the text books are most expensive. Many additions in our town schools where sets of books entire have been necessary, and more than all else, the complete collapse of a great number of old books that were absolutely worthless for further use. $168.26 as an overdraw from '94 left but $221.74 for this year's purchases. The condition of the arithmetics and grammars was such that new ones were required to more than half the number that would be necessary if new ones were introduced throughout. As these books were each .65 cts., list, with 20 per cent discount, netting 52 cts., and, on exchange, we received an allowance of the same 20 per cent and one-third discount from list for the old book, however badly tattered, bringing the cost of the new book to 31 cts., net. It left no doubt in the judgment of the School Board that it was the better plan to make new introductions of Arithmetics and Grammars—Such were introduced in the two works, Milne's series of Arithmetics and Metcalf's Language Lessons and Grammars. The trade was made so that the payment might be carried over into 1896 without interest or expense. Thus it may be seen that the purchases for '96 are largely made, and our

books are in such a conditton as to make the expense for the next two or three years less than for '95 and '6. I cannot however, refrain from expressing an opinion that pupils are in many cases heedless as to their care of the text books they are using and wear them out much faster than they would if the books were their own. There are many cases of real abuse of the books but I have never seen where the statute provision could be equitably enforced to remedy the matter. I think parents might aid largely in the preservation of the books by giving the matter some attention in the case of their children, and note the condition of their books from time to time during each term.

Repairs to School Buildings.

FINANCIAL STATEMENT.

Appropriation for '95	$150.00	
Unexpended balance from '94	42.16	
Received for damages to school building	36.06	
		$228.22

EXPENDITURES.

Total paid out for repairs	$240.45	
Overdrawn	12.33	
		$228.22

By reference to the items of outlay in the Auditors account it may be seen that the school houses in the two ungraded districts were painted and the High School building had inside blinds to 12 windows, which items made the chief portions of expense the past year.

In consultation with the members of the Board, and others, we are of opinion that the High School House should be painted outside the coming season, and that the inside should be painted and the graining varnished to preserve it. With these repairs in view I recommend $225 as an appropriation for repairs.

Teachers for the Year.

High School.

Fred J. Libby, Richmond, Principal for the year. Salary $800.
Miss Kate L. Reed, Boothbay Harbor, Assistant, half time, Fall and Winter. $5.00 per week.

First Grammar.

Miss Estelle Webber, Round Pond, spring.
Miss Abbie F. Storer, Waldoboro, Fall and Winter.
$10.00 per week.

Second Grammar.

Miss Annie A. Huff, Edgecomb, for the year. $9.50 per week.

Third Grammar.

Miss Alice N. Benner, Waldoboro, for the year.
$9.00 per week.

West Intermediate.

Miss Mary E. Carlisle, Boothbay Harbor, for the year.
$8.00 per week.

East Intermediate.

Miss Abbie F. Storer, Waldoboro, spring.
Miss Grace D. Maddocks, Boothbay Harbor, Fall and Winter.
$8.00 per week.

West Primary.

Miss Addie B. Baker, Boothbay Harbor, for the year.
$8.00 per week.

East Primary.

Miss Grace D. Maddocks, Boothbay Harbor, Spring.
Miss Grace R. McKown, Boothbay Harbor, Fall and Winter.
$8.00 per week.

West Harbor.

Miss Augusta Blake, Boothbay Harbor, for the year.
$10.00 per week.

Miss Anna B. Kendrick, No 8, Boothbay Harbor, for the year $8.00 per week.

Graduate for 1895.

Classical Course—Miss Carrie B. Carlisle.

Conclusion.

The schools have all been doing good work the past year and a steady, straight forward advancement has been made; and, in my opinion, the two chief contributory reasons for such an excellent showing are, first, a systematic course of instruction; and, second, a policy of retaining our teachers who are acquainted with the work and the pupils. The latter part is highly essential if the teacher is doing satisfactory work. Much time at the begining of a term is often lost in simply making acquaintances and getting familiar with the qualifications of the pupils.

I can point to no school in town which has made unsatisfactory advancement the past year.

F. B. GREENE,
Supervisor of Schools.

Boothbay Harbor, Feb. 20, '96.

Report of Selectmen on Water Plant.

In making our final report of the water plant, we thought perhaps it would be better to add the receipts and expenditures of our statement of last year to this, thereby giving a full account from start to finish of the receipts, and expenditures, of the Boothbay Harbor Water Plant, which would make it more convenient for reference, by having it all in one report. We are pleased to report that we have been able to carry out the vote by making all the extension the town voted to make. We are satisfied that the Town has a first class Water Plant, everything is working finely, only two breaks in the main since the water was first turned on, which is a remarkable record for a new plant, so the old water men say. There are a few extensions which ought to be made in the near future. First, from S. Nickerson & Sons, to H Hartung's. Second, from Congregational Church, to Samuel Cavnor's house. In all our transactions, we have done that which we thought was for the best interest of the town. Now that the Water Plant is completed, and our trying duties are ended, we hope, and sincerely believe, that it will be a paying investment for the town.

CR.

By cash paid C. F. Kenniston Treas.....	$1795.59	
amt due from water takers.....	70.37	
		1865.96

C. F. Kenniston, Treas.

DR.

To Balance on hand Feb. 16 1896		$188.55
received of J. H. Blair Supt		1795.59
,, of Granville Matthews for laths		1.60
,, of Selectmen cash		152.38
		$2138.12

CR

By bills paid	$1790.69	
balance in Treas. Feb. 13 '96	347.43	
		$2138.12

For itimized bill of expenditures see Treasurer's report.

Tools and fittings on hand	$215.25
85 tons coal	242.25
Telephone	150.00
	$607.50

We would recommend that the town buy an extra pump to be placed in the pumping station, as a break down might necessitate a long delay and leave our village unprotected from fire and be a great inconvenience to the people.

Respectfully Submitted

		$35.00

D. H. MOODY,
Treasurer.

Report of Night Watchman.

To the Inhabitants of Boothbay Harbor.

Since entering upon my term of watchman, I have attended to the duties of the office, to the best of my knowledge and ability, and have saved, and helped to save property wherever and whenever opportunity was presented.

During the year, I have discovered but one fire, that on the east side of the harbor, and I gave the alarm as soon as discovered.

I have found 12 store doors unlocked at night which I reported to keepers.

There has been 16 men placed in the lock-up during the year, 5 suspicious characters which I let go upon their promise to leave the town.

Respectfully.

HIRAM A SPOFFORD.

Watchman.

W. T. MARR,
Town Clerk.

Town of Boothbay Harbor.

To Charles E. Sherman, a Constable of the town of Boothbay Harbor in the County of Lincoln.

GREETING:—

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said town of Boothbay Harbor, qualified by law to vote in town affairs, to meet at Pythian Opera House in said town on Monday the 2d day of March A. D. 1896, at nine o'clock in the forenoon, to act on the following articles, To Wit:

ART. 1. To choose a Moderator to preside at said meeting.

ART. 2. To choose a clerk for the year ensuing.

ART. 3. To attend to and act upon the report of the Supervisor of Schools.

ART. 4. To attend to and act upon the report of the Auditor of town accounts and of the Selectmen, Assessors and Overseers of the Poor.

ART. 5. To attend to and act upon the report of Water Commissioners.

Art. 6. To attend to and act upon the report of Selectmen on extensions and completion of water plant.

Art. 7. To choose all necessary Town Officers for the year ensuing.

Art. 8. To see what sum of money the town will vote to raise to pay Town Officers for the year ensuing.

Art. 9. To see what sum of money the town will vote to raise for the support of schools for the year ensuing.

Art. 10. To see what sum of money the town will vote to raise for the support of Free High School for the year ensuing.

Art. 11. To see what sum of money the town will vote to raise for the purchase of Free Text Books for Schools for the year ensuiug.

Art. 12. To see what action the town will take to provide accommodations in which to hold its meetings and do its business and raise money for the same.

Art. 13. To see what sum of money the town will vote to raise for the Support of the Poor for the year ensuing.

Art. 14. To see what sum of money the town will vote to raise to pay Commissions and Abatements for the year ensuing.

Art. 15. To see what sum of money the town will vote to raise to pay contingent expenses for the year ensuing.

Art. 16. To see what sum of money the town will vote to raise to pay Interest on Bonds.

Art. 17. To see what sum of money the town will vote to raise to pay Interest on water bonds and notes.

Art. 18. To see what action the town will take to induce people to locate in this town.

Art. 19. To see what sum of money the town will vote to raise to pay the Bonds becoming due Jan. 1, 1897.

Art. 20. To see what action the town will take in relation to the expenditure of taxes on real and personal property situated on Isle of Springs.

Art. 21. To see what sum of money the town will vote to raise to pay Night Watchman, his services to include care and lighting of street lamps.

Art. 22. To see what action the town will take in the matter of connecting this town with Southport by a bridge

Art. 23. To see what sum of money the town will vote to raise for the repairs of Highways, Bridges and Sidewalks and direct in what manner it shall be expended.

Art. 24. To see what sum of money the town will vote to raise towards Memorial Day.

Art. 25. To see what sum of money the town will vote to raise for repairs on school buildings.

Art. 26. To see if the town will vote to accept a road as laid out by the Selectmen beginning at the highway near the dwelling house occupied by David Elwell running in a southerly direction 26 rods, thence Easterly to residence of F. R. Rowe 13 rods, damage awarded $125. Estimated cost of building same. $35.

Art. 27. To see if the town will vote to raise the sum of $215 to pay for Fire Hose bought by Selectmen which they had to buy before we could get our rate of insurance reduced.

Art. 28. To see if the town think it advisable to buy a fire extension ladder and if so to raise money for same, cost of 45 feet extension, $90.

Art. 29. To see if the town will vote to accept a road as laid out by the Selectmen beginning at the head of Lobster Cove so called and running in a N. E. direction 185 rods, thence E. 46 rods, thence S. E. direction 103 rods to the town

line in Bayville village. Damages awarded $150. Estimated cost of building same $800.

Art. 30. To see what action the town will take in relation to the gift of D. W. Sawyer's now in office of G. B. Kenniston.

Art. 31. To see if the town will vote to accept a road as laid out by the Selectmen beginning at the highway near residence of Thomas Andrews running in a S. E. direction 13 rods, thence N. E. direction 214 rods, thence S. E. direction 6 rods, thence N. E. direction 10 rods, thence S. E. 21 rods to the town line just back of Bayville village. Damages awarded $100. Estimated cost of building same, $1000.

Art. 32. To see if the town will vote to instruct the trustees of Oak Lawn Ceme ery to set aside a certain number of lots in the N. W. corner of said cemetery for burying the poor.

Art. 33. To see what action the town will take in relation to the ringing of the bell on the High School building hereafter on the Fourth of July.

Art. 34. To see if the town will vote to straighten the Highway as laid out by the Selectmen near the McClintock store. Damages awarded $15. Cost of building same, $10.

Art. 35. To see what action the town will take in relation to buying an extra pump for water works and direct in what manner the money for same had better be raised.

Art. 36. To see if the town will repair the sidewalk from N. S. Baker's driveway to meet the sidewalk at the town line.

Art. 37. To see if the town will vote to accept a road as laid out by Selectmen beginning near the well on the old Allen Lewis place and running in S. E. direction down over the hill to intersect the highway a distance of 30 rods. Damages awarded and cost of putting road in good condition, $50.

Art. 38. To see what sum of money the town will vote to raise for support of Engine Co. and two Hose Companies.

Art. 39. To see what action the town will take in regard to providing a suitable fire alarm.

Art. 40. To see if the town will vote to build a Hose House on East Side of the Harbor.

Art. 41. To see what action the town will take in relation to extending the water main from the McClintock store to the residence of H. Hartung.

Art. 42. To see if the town will vote to authorize the Selectmen to borrow money if needed to pay bills due after the funds in the Treasury have been expended.

Art. 43. To see if the town will vote to accept of a road as laid out by the Selectmen, beginning at the highway near the old red schoolhouse on road to East Boothbay and ending near the summer cottage of Mrs. Mary L. Marsh at Bayville. Damages awarded $150. Estimated cost of building same, $400.

Art. 44. To see what sum of money the town will vote to raise to pay note becoming due July 30th, 1897.

Art. 45. To see what time the town will set for the payment of its taxes for the ensuing year.

Art. 46. To see if the town will vote to raise $75 to build sidewalk on McFarland's Point commencing at house of J. H. Blair.

Art. 47. To see if the town will vote to instruct the Selectmen to appoint a Harbor Master and see what action the town will take to establish Harbor line and raise money to defray expenses.

Art. 48. To see what action the town will take in relation to supplying Squirrel Island with water.

Art. 49. To see what action the town will take to light the streets with electricity and raise money for the same.

Art. 50. To see if the town will vote to discontinue the school in what was formerly known as School District No. 12 and authorize the Selectmen to sell the school building and lot.

Art. 51. To see what sum of money the town will vote to raise to pay Snow Bills for the winter 1895-6.

The Selectmen hereby give notice that they will meet at Pythian Opera House on Monday, March 2d A. D. 1896 at 8 o'clock in the forenoon for the purpose of correcting the list of voters.

Given under our hands this 20th day of February A. D. 1896.

C. J. MARR,
W. H. REED,
T. J. EMERSON.
